JUNE 2010

**SHOULD YOU HAVE TROUBLE OPENING THIS MAILER,
PLEASE LET US KNOW SO THAT WE CAN SEND IT TO YOU IN PDF FORMAT.**

It is finally here. The Soccer World Cup 2010 has begun and we have all been following the matches closely. With an amazing opening concert and a nail biting Bafana-Bafana versus Mexico game things seem to be off to a good start. The festive atmosphere has definitely been contagious and we have all joined the group of soccer shirt wearing, car flag waving and face painting soccer fans. Although we must admit that before the world cup we had more knowledge of the DISKI dance than soccer fowels or Aaron Mokoena.

Although we have been utilizing every possible opportunity to celebrate the world cup we have also been hard at work. Gifting orders, conferences and events have been keeping us busy. Upcoming road shows and national conferences have also taken up a lot of our time and we look forward to the hard work paying off in July and September when these events take place. We would once again like to thank clients such as Old Mutual, Foschini, On the dot, Agri Western Cape and RCS for their continued support.

In this months edition we feature an exquisite new venue for small breakaways, we welcome back Madam Zingara's to Cape Town and celebrate the re-opening of a winelands hotel. We also take a look at our Soccer Braai, this months On the dot event and Eco-friendly promotional gifting.

For those of you that will be taking a long deserved break over the school holidays, enjoy! For the rest of you, we hope that you will enjoy the World Cup Spirit with us.

TEAM CONFERENCE COMPLETE

WE BRING THE GEES

Bearing in mind we are an all girl's office, we decided that we too want to celebrate the Soccer World Cup 2010 in a fitting manner. Plans were drawn up and we decided that we would sell boerewors rolls to everyone in our office block on Friday 4 June 2010 and invite them to join us for a bit of soccer spirit! We were able to sell 120 tickets and started the braai early

on Friday morning. Nedene's parents were kind enough to come and assist as official braaiers!

We had all the soccer music playing, kitted out in soccer tops and flags on the faces! As 12h00 arrived, we blew our vuvuzela's and cranked up the music to announce that the rolls were ready. People started arriving to collect their boerewors rolls, many dressed in soccer shirts and a true sense of being South African.

Many stayed and we had mini soccer tournaments which was sponsored by one of our teambuilding companies, vuvuzela blowing competition and a lucky draw. We decided that we would donate the profit to Home of Hope, a charity in Tableview and also received some donations on the day from people.

Over a braai, music and boeries we came together as fellow South Africans to celebrate this huge occasion in our country.

Enjoy SOCCER WORLD CUP 2010 SA, however you will be celebrating!!!

GUESS WHO'S BACK IN TOWN

For 3 Months only the Theatre of Dreams has returned to Cape Town to once again entertain, captivate and dazzle us all with their LOVE MAGIC TOUR!

Madame Zingara's Theatre of Dreams is the grande dame of burlesque style. A dinner cirque spectacular that enchants and inspires all who pass through her stained glass doors. Housed in one of the last remaining Mirror Tents in the world, Victoria is a twenty five metre velvet big top that has toured the globe for the last eighty years. Her ornate majestic mirrored column's and beveled booths transport one back to a by-gone era where cirque and magic ruled the world.

With all kitchen facilities on site no aspect of hospitality is ignored, from superbly trained glitter dusted waitrons to the incredible acrobatics one begins to understand there are no boundaries to the night.

In partnership with Century City Madame Zingara will again bring magic to the under privileged by creating a shanty town with break away bars, live entertainment and all the trimmings that have made Madame Zingara's unique form of entertainment synonymous with fun. From each ticket sold 5% will again be given to our Non Profit Partners and a optional grounds fee will be added to each ticket sold. By matching the Madame's donation we are hoping that at the end of the run we will be able to donate a multi purpose community centre with medical, educational and social facilities.

BRAND NEW FIVE STAR VENUE FOR THE WEST COAST

On a recent site inspection trip up the West Coast we discovered a luxurious executive getaway located only 90 minutes from Cape Town. Having only opened its doors in February of this year this incredible venue will offer your groups the most decadent escaped possible.

On arrival you are welcomed with a glass of sparkling wine and the warm smiles of their staff. The decor creates a welcoming ambiance, combining African Chic with crystal, silver, natural stone and wood. As you make your way to high tee in the conservatory you are greeted by the two resident ducks residing in the indigenous gardens. The conservatory

offers breathtaking views of the beach, creating the perfect setting for a lazy afternoon in the sun with a variety of sweet and savoury treats. Pre-drinks are served in the bar with a fire burning on cold winter nights. The barman, a local from the village, takes great pride in his work and can whip up an exotic cocktail or offer a whisky tasting. Dinner is served in the restaurant with its grand high back chairs, orchids and candles. The in-house chef offers a fine dining menu and adds a personal touch by welcoming each guest individually while giving a brief overview of the menu.

The 12 rooms are individually decorated and the Library Conference Room can accommodate up to 16 delegates. Every room is equipped with a Mp3 Docking station, CD player, DVD Player, mini bar, DVD selection and under floor heating.

When booked by corporate groups they provide complete exclusivity ensuring that all your needs are met and expectations exceeded.

AN OLD FAVOURITE RE-OPENS

We are very happy to announce that after 3 years an old Winelands favourite has once again opened its doors. Having been on our list of top 10 venues for a long time it was a very sad day when the closure of this exquisite venue was announced. Now under new management they have once again opened their doors promising to deliver an unequalled experience for our corporate clients.

Flanked by the majestic Simonsberg mountain range, the property combines a five-star hotel with conference facilities and an award-winning wellness centre, in the heart of the winelands in 'the Fairest Cape'.

The conference centre has facilities for 165 delegates, pre-function or exhibition area, four meeting rooms and a boardroom accommodating up to 16 delegates - all rooms are equipped with high-speed Internet access, TV, Video, coffee machine, built in flip chart, screen and full business services to meet all requirements.

The rooms are stylish and luxurious, with marble finishes, deluxe bathrooms, full cupboards, and writing desks. Each room is equipped with a butler station, and 24-hour in-room dining service is offered. Satellite TV channels and DVD's are also available.

ON TIME, EVERYTIME

The HR Department of On the Dot contacted us to assist them in putting together a fun filled day for their team of 130 people. This had to take place during the week we had extreme winter conditions and the challenge was on ...

Luckily we could accommodate them all indoors at Monkey Valley. Two coaches collected the group early on Friday morning and they were all taken through to Noordhoek to start off the day on a more serious and formal note.

After lunch the sun came through and soon teams were divided on the property and words like "Lights", "Camera" and "Action" were the order of the day !!

Each team worked together to write a script, produce, direct and act in their news headlines insert combined with an advertisement. They had limited resources and everyone had to tap into both their creative and practical abilities as they start to produce their news headline clips. They all had an entertaining and rewarding experience! I am sure after receiving their DVD's a week after , they had fun looking at it all over again!
