

## NEWSLETTER VOLUME 65 – JULY 2011

### IN THIS ISSUE ...

- **Stunning new conference venue**
- **Great teambuilding ideas**
- **An exclusive Stellenbosch function venue**
- **Great gifts for under R20**

The two most important events on everyone's mind at the moment must be Women's Day on the 9th of August and the 2011 Rugby World Cup. For our office Women's Day naturally ranks much higher on our list of important dates, but make no mistake; we know exactly where to find the best promotional rugby merchandise.

Inspired by Mandela Day, that took place on the 18th of July, we have included an article on teambuilding activities designed around helping others in need. You can make the world a better place!

We also feature a picturesque function venue in the Winelands, as well as a tranquil country hotel & conference centre.

For those looking for a great way to open their conference or create an energetic teambuild, please read "Who wants to be a Champion"- the latest activity launched by one of our AV suppliers.

"All of us, no matter how big or how small, whether male or female - we all owe our lives to a woman."

The Conference Complete Team

# COUNTRY CONFERENCES

This beautiful countryside guesthouse offers a conference facility that will leave your delegates feeling inspired and relaxed. Break away into the beautiful garden, around the pool or in the restaurant for small think tank sessions.

Executive facilities are offered in which to have your Strategic Planning Sessions, Marketing and Sales workshops, Board of Directors Meetings, Leadership Development Programmes, Life Coaching Workshops and much more.

For those groups who are tired of spending long days in the office, behind a desk or in the car, come and stretch your mind and your legs on one of the many beautiful walking paths and hiking trails in the Greyton Nature Reserve. The paths are well marked and they start and end at the same point.

Unwind with colleagues in the country pub after a day of conferencing and enjoy a delicious 3 course meal in the restaurant.

Contact us for more information on their mid-week conference special.

# A UNIFIED TEAM IS PASSIONATE ABOUT ITS GOALS

## “MOTIVATE YOUR STAFF TO HELP OTHERS”

Much in-depth research concludes that investing in programs that help staff achieve good health is a key component to increased productivity, better staff morale, and ultimately sustaining a more profitable business, as well as a happier work place.

TeamUp is focused on real teambuilding through a healthy combination of fun activities and structured motivational tuition.

Our supplier designs teambuilding events to enhance the vision of your business and to build on your brand.

Their teambuilding is tailored to empower each individual team member as well as to support the overall strategy and goals of your business.

TeamUp is also committed to upgrading the lifestyles of the less fortunate. We have teamed up with Newkidz on the Block, a charity that helps establish loving homes for orphaned, vulnerable and destitute children. It also facilitates the renovation and maintenance of children's homes; foster family accommodation and Early Childhood Development Centers. We offer companies the opportunity to actively participate in these renovations, which by their doing, serve as a meaningful teambuilding activity.

## WHO WANTS TO BE A CHAMPION ?

---

Your conference will need that great opener, that one activity that will set the tone for the rest of the conference, inspiring your team to get involved and have a little fun!!

We would like to introduce "Who wants to be a champion?", based on the popular TV Show "Who wants to be a millionaire?".

The game takes the contestant through the varied questions that relate to your business by using specific elements that create a tense yet exciting atmosphere. A fabricated set will be constructed including light boxes, circular staging with reference monitors and setup intelligent lighting. This helps create the enhanced effect of having the stage, and sets change colour at various intervals throughout the show.

The game can be tailor-made to work with any client or sponsor and can incorporate all the necessary detail ranging from; colour scheme, logo placement and working. It really makes for great team building. Find out what your staff know about your company or just have fun!
